I take a great pleasure in presenting the academic report of 2023-24. I am thankful to the Management and Principal Ma'am Dr. Mrs. Nimisha Singh for putting trust and supporting us.

- We at MKVVIV support the development of each and every child through inquiry, exploration observation, hands on activity and play centred learning for the holistic development of each child. We aim to spur higher growth and meet the physical, intellectual, social, cultural needs of every child.
- **Academic System:**
 - We at MKVVIV believe in holistic development of the children
 - The method of teaching is child-oriented and child –centred.
 - We encourage a structured learning process where we concentrate on concepts instead of rote learning.
 - The academic module was based on two Periodic Assessments and two Summative Assessments.
 - The method of teaching at all levels is based on knowledge, comprehension, application, analysis.
 - Education in totality with a combination of knowledge, development of confidence, personality morality and responsibility towards one self, towards others, towards society and towards his or her surroundings, is what the school aims at.
 - The school aspires to facilitate students with as many facilities as possible for a good and modern education, bringing in him or her all round or all sided development by keeping him/her confined not only to text books but by providing him/her enough room to grow physically, mentally and morally, with lots of co-curricular and sporting activities
 - There is consistent hard work and dedication with all sincerity from all quarters whether it be management, Teachers or Non-teaching Staff.
 - Intra school and Intra House competitions as well as Inter school Competitions were encouraged to give platform to the students' abilities to showcase their talents.
